

FOR IMMEDIATE RELEASE

A.D. Moyer Lumber Purchases Berks Products Building Materials & Millwork Division

Gilbertsville – (1-Jun-17) A.D. Moyer Lumber – voted as the Tri-County area’s #1 Window Dealer for 14 consecutive years, #1 Home Improvement Store, and #1 Contractor Supply Dealer – recently purchased the Building Materials and Millwork Division of Berks Products, located at 80 Willow Street in Kutztown, PA.

Berks Products was a family-owned company that recently elected to discontinue business operations in the many markets that they have served since the late 1800’s. Over the years, Berks Products provided a wide range of materials and services including heating and cooling systems, ready-mix concrete and paving, crushed stone and masonry supplies, as well as building materials, millwork and engineered roof trusses.

The new A.D. Moyer Lumber, Kutztown location will continue to staff many of the former Berks Products employees in addition to adding new jobs. Rick Youse, who has been employed by A.D. Moyer since 1974, has transferred from his long-time position as operations manager at the Pottstown location to co-manage the Kutztown location with Todd Cleaver, former Berks Products Millwork division manager. Ben Egolf and Alex Moyer have stepped in to share sales-management responsibilities at the Pottstown location.

“I look forward to the challenge of bringing the 78 years of A.D. Moyer Lumber’s culture to the Kutztown store,” said Youse. “A.D. Moyer has long been the leader in supplying Southeastern Pennsylvania with a higher-quality product at a fair price, with free delivery, while maintaining the most experienced employees available to provide the highest levels of service. The company is excited to become a contributing member of the Berks County community, to continue serving large builders and developers in the region, and to bring A.D. Moyer’s excellent level of personal service, quality, and commitment to all builders and remodelers.”

A.D. Moyer Lumber & Hardware, Inc. is a fourth-generation family owned and operated business with locations in Gilbertsville, Pottstown, Bethlehem, and Kutztown that has been serving Southeastern Pennsylvania with quality building materials since 1939. A.D. Moyer is one of the oldest privately-owned building materials businesses in the area with employees who average more than 20 years of service with the company. Over the decades A.D. Moyer has built a solid reputation as a building-materials leader and generous contributor to area benefits, charities, organizations, and the scholastic and athletic endeavors of the area’s youth.
