The staff and ownership of A.D. Moyer Lumber extend our deepest gratitude to the reader's of the Pottstown Mercury for voting us **#1 WINDOW DEALER** for the 8th consecutive year, and also for voting us **#1 HOME IMPROVEMENT STORE!**

We continue to work hard every day to provide you with the best value in the area: The latest top-quality materials at a fair price served by a friendly, well-trained staff that average over 17 years each in the industry... and **FREE** delivery! This has proven to be a winning blueprint since 1939.

We're proud to be a locally owned and operated family corporation that gives generously to support the local community fire departments, police, ambulance, church organizations, multiple youth and scholastic organizations and many more.

Additionally, we all live right here in the local communities so the money you spend here, stays here and is regenerated through hundreds of other valuable locally-owned businesses. We sincerely thank you for your continued loyal patronage and your votes!
