A.D. Moyer Announces New Hörmann Overhead Residential & Commercial Doors and Operators

Gilbertsville, PA – (17-Sep-10) **A.D. Moyer Lumber** – recently voted as the **#1 Window Dealer** in the Tri-County area for the eighth consecutive year and also voted as the **#1 Home Improvement Store** in the Tri-County area by readers of the Pottstown Mercury – announces that they now carry the new top-quality **Hörmann** line of residential and commercial overhead doors and openers.

Hörmann is one of the world's leading door manufacturers and a global leader in today's building components industry. Hörmann currently serves customers in more than 30 countries with a multitude of quality products. The entire line of Hörmann overhead doors qualifies for the **Energy Tax Credit** where homeowners can receive a 30% tax credit up to \$1500 on qualifying items purchased before December 31st, 2010.

Hörmann has now completely retooled and renovated its manufacturing and engineering capacities, and introduced their new, full line of pinch-resistant FingerGuard™ residential steel garage doors. The new doors include a wide variety of designs that include traditional, ranch, country, cottage and flush. There is also a large selection of colors to choose from: white, sandstone, almond, brown, teratone, desert tan, deep crimson and hunter green. With the launch of its new product line, Hörmann is focused on providing the best products available with highest level of safety, durability, convenience, and energy efficiency.

All doors come with a woodgrain Rainslope™ surface finish, superior durability hardware and an unparalleled warranty offering.

According to Hörmann VP of sales and marketing, Larry Campbell; "The significance of this major step forward in our new product line introduction not only gives us the additional industry leading features, but it also adds substantial resources to widen the breadth and depth to our product offering. The feedback we have received from our distribution partners has been extremely positive and we are excited and looking forward to the mutual benefits that both our customers and Hörmann may reap as we move forward"
