### **A.D. Moyer Lumber Consolidating Operations of Douglassville Location**

Gilbertsville, PA – (21-Sep-11) A.D. Moyer Lumber, Inc. – voted #1 Window Dealer in the Tri-county area for nine consecutive years and #1 Home-Improvement Store in the Tri-county area for the past two years – consolidated its Douglassville store operations into the Gilbertsville and Pottstown locations effective Friday September 23, 2011.

“In response to the prolonged downturn in the housing market, the management team at A.D. Moyer worked collectively over the past several months to make a comprehensive evaluation of our business operations,” said co-owner Scott Moyer. “We have determined that a strategic restructuring of these operations will help us to ultimately better serve our customers in the greater Douglassville area as well as our entire Tri-county service area.”

According to Moyer, employees from the Douglassville store have been reassigned to same or similar duties in the Gilbertsville and Pottstown stores. A.D. Moyer is also making significant capital improvements to its Gilbertsville and Pottstown locations including repaving, building maintenance and equipment upgrades in order to continue its exceptional level of service for all customers.

“We are deeply appreciative of the people and businesses in the greater Douglassville and Birdsboro areas that welcomed us to that location in 1995 and have continued to trust us with their home-improvement needs. We do not anticipate any interruption of service or long-term negative impact from this consolidation. We look forward to continuing to provide excellent service, response and free delivery to these communities by way of our other two locations as we have since 1939.”

Moyer stated that the phone numbers for the Douglassville location will remain active and will be automatically forwarded to the Pottstown location. A.D. Moyer will continue to possess and maintain the Douglassville property, keeping options open for future business operations.
